to me, Daisy, Tianna, Barb

Hello Kim,

My name is Brian Judd, and I am serving as the Interim Recreation Division Director. Daisy asked me to respond to this in support of Barb's efforts with you.

I want to thank you for your message. Barb and I have checked in a few times about your group's use of Green Lake CC and have arrived at the following proposal:

- If the table tennis players are interested in adding a table tennis option on Saturdays within operating hours, we are still very open to this. Please let Barb Wade and Jewels Jugum know.

- Please let us know if Green Lake Table Tennis Club would like to pursue the service agreement to offer a program outside operating hours. The fees in the service agreement are non-negotiable and won't be reduced further. What we would be open to discussing is allowing a small fee or donation at the door to help enable the group to generate the rental fees and staffing costs. The service agreement would need to be between Seattle Parks and Recreation and Green Lake Table Tennis Club as the organization carrying out the agreement and this would require business licenses and insurance. This will ensure we have clear lines of communication and accountability within the Agreement that will serve both of our organizations.

Please let Barb know if you want to continue exploring and finalizing these options. I know she has been in consistent dialogue with you.

Thank you,

Brian M. Judd (he/him/his)
