Brian, Daisy, Barb, Tianna,

It seems the two people I referred you to are not interested in further discussions. I would like to directly address your most recent proposal.

Again, table tennis during the day on Saturdays would be appreciated and popular.

I'm not in a position to form a new independent "club" outside of Seattle Parks Foundation. At this point in my life, I don't want to be taking on this kind of risk and there are other things I'd like to do with my time. Also, I could not donate to the program if I were to be an officer. I don't see any way I could get someone else to step up to form an independent entity.`

Accepting donations at the door seems like a great idea. SPF has a platform to make this easy. The bigger question though is how to make the entire project work financially. We had put forth some ideas in our response to your draft contract. I have no further ideas at this point. Perhaps regular hours could be transferred from another community center with less demand. Maybe you have another idea. Please let me know if there may be some way I can help.
